

Credit Card Policy

When you book your tee time online at shadowmossgolf.com, you'll always be required to secure it with a valid credit card. Each player will have the opportunity to pay at check in with either cash or credit. The credit card is simply used to hold the reservation and will not be charged unless a group fails to show up for their tee time. Any groups arriving with fewer golfers than booked will be issued an 18 hole rain check for each player that is not present. To avoid any charges or the issuance of any rain checks, please notify the pro shop of any changes to your group size or the need for cancellation. We strive to avoid any charges for players who are unable to make their tee time and simply ask that you notify us of any changes or cancellations as far in advance as possible.

Also, if you have any coupons or discounts due, let us know what you have in the "Comment" box when you book your tee time online. We'll apply any valid discount at check-in on the day of play.
