Pool Building Update

It's been a very difficult and frustrating process with the city. We have yet another meeting on March 12th. The building will certainly not be ready by the beginning of the season but we still hold hope that it may be ready sometime this summer. We have purchased a nice restroom trailer like you see at outdoor weddings and will use it along with the restrooms in the main building for swim meets or anyone who wants to come over. We are planning some landscaping beautification along with possibly some pergolas and additional umbrellas for shade. We are going to increase our level of food service along with new drink offerings that will be delivered to the guests. We are very excited about these changes and have our fingers crossed on the new building being completed this summer.
