Initiation Waiver Agreement

I, _____, understand that as a new member of Shadowmoss Plantation Golf Club, will have my initiation fee waived as long as I meet the following criteria:

- 1. I agree to commit to at least 1 year (12 months) of family or single membership at Shadowmoss Golf Club.

- 2. I agree to maintain an active account during those 12 months. If, at any point, my account is put on a “Leave of Absence” status or default and is suspended, those months will be added to my commitment length.

If, at any point, I fail to meet the above criteria, I understand that the Club will then bill me the previously waived initiation fee. At that point, I agree to pay the initiation, and am free to resign my membership at any time.
