## Projects Update

Greens aeration is complete and the healing process takes about ten days to two weeks. We will aerate the greens again August 5th & 6th. Construction of the green tees on the back nine will begin in mid-June along with the sodding and leveling of a few other tee boxes. For the safety of our staff and to avoid delaying the work, we will be using temporary tees on some holes while work is being done.

## Annual Moss Matches

The much anticipated Moss Matches are underway and we would like to take this opportunity to mention a couple of things to the spectators:

- Please remember that outside alcoholic beverages are not permitted when you are on the course whether you are playing or just watching.
- When it is cart path only, all spectators need to keep their carts on the paths.
- We do allow spectators to pull their carts around the greens for the Moss Matches but we ask that you please refrain from pulling carts around the greens and tees during daily play.
- Please remember that there will be other golfers on the course while matches are going on. We ask that you please do everything you can in being considerate to other golfers while coming and going from matches.
- Please be considerate of those playing by putting your phones on vibrate and keeping the talk to a minimum.

## Summer Golf Camps

Junior Golf Camps hosted by Joe King will begin on June 10th and will be hosted every week during the summer with the exception of the weeks beginning on July 1st and July 29th. Camp will be held M-F each week from 9AM to 12PM and is for ages 6-13. Sign up sheets are in the pro shop.

## MGA

The next MGA event will be the Summer One Day Mem/Mem or Mem/Guest held on July 20th. Tournament registration sheets will be available in the pro shop in late June.

The annual Men's Member Guest will be held on October 5th & 6th. Now is a great time to start looking for a partner. All Members and Guests must have a current USGA handicap. No exceptions will be made. Guests can keep their handicap here at Shadowmoss for \$30 per calendar year.
