## Men's Interclub Update

After Match #10 of the 2019 Men's Interclub, Shadowmoss is in first place and holds a 10 point lead over it's nearest competitor Legend Oaks. Leading the way for the Shadowmoss team in our last two matches were Ed New with +8 points at Legend Oaks and Marty Carsner with +10 points for the match here at Shadowmoss. Good luck to the guys over the next two matches as they look to bring home another Men's Interclub title! Full results and standings can be found at [www.chsinterclub.org](http://www.chsinterclub.org).

Many of you may not know, but the Charleston Interclub also provides much needed support for local charities. Last year, they were able to make \$2,500 donations to the Fisher House of Charleston and Low-country Orphan Relief.

## Course Maintenance

We have decided to not overseed the golf course again this winter. The strength of our bermudagrass has been much better this summer and it should continue to get stronger without the competition of the winter grass. Playing conditions were not compromised at all last winter without the overseed. In preparation for the winter and to ensure a thick dormant playing surface for the winter, we will begin raising the heights of cut on the tees, greens and fairways this fall.

## LGA Rally For The Cure

The LGA will be hosting a Rally For The Cure on Wednesday, October 23rd at 9 AM. The sign-up sheet is in the Ladies' locker room. Donations will also be accepted at the pro shop desk. Thank you for your support of this very worthwhile cause!!
